Re: Fencing Plan Version 1.0 - Approved

Mr. Campbell,

The Gwich'in Land and Water Board met on November 22, 2019 to consider The Town of Inuvik's Solid Waste Disposal Facilities Fencing Plan which was submitted in accordance with Water Licence G17L3-001, Part D.

The Board has decided that the Fencing Plan adequately describes "how the Licensee will install and maintain fencing at the Solid Waste Disposal Facility that is capable of capturing windswept Waste, deterring wildlife, and preventing unauthorized persons from entering the site", and is consistent with the Terms and Conditions of the Town's Licence.

Attached are late comments provided by GNWT Department of Environment and Natural Resources which may assist the Town in executing the fencing plan.

Should you have questions regarding this decision, please contact AlecSandra Macdonald by email at amacdonald@glwb.com or by phone at (867) 777-4954.

Sincerely,

Elizabeth Wright
Chair, Gwich'in Land and Water Board
