Re: Town of Inuvik Water Licence Renewal - G17L3-001: Notice of Public Hearing

On March 16, 2017, the Gwich'in Land and Water Board (GLWB) distributed a letter notifying all parties that a Public Hearing has been called for the Renewal of the Town Inuvik Type "A" Water Licence G17L3-001. In its letter, the GLWB requested that if any party wished to intervene and make formal presentations to front the Board, they must register by April 17, 2017.

ENR is of the opinion that this renewal process can occur as a written proceeding, without a Public Hearing. To this end, ENR is not intending to make a formal presentation to the Board for this renewal. However, if the GLWB determines that a public hearing is required, ENR will make the necessary arrangements to attend, and participate as appropriate.

Sincerely,

Robert Jenkins
Director
Water Resources Division
