**Re: Request for Comments – Application for Type “A” Land Use Permit
(Quarrying – Km 235, Dempster Highway #8)**

Dear Sir/Madam,

Please be advised that Bob’s Welding Ltd. has submitted to the to the Gwich’in Land and Water Board an application for a Land Use Permit for the purpose of blasting, extracting, crushing, stockpiling and hauling granular material at km 235 Dempster Highway #8. The applicant requests a term of 5 years, with proposed activities beginning in August 2019. The Board is considering this application and invites reviewers to provide comments or recommendations.

The attached application documents and Draft Land Use Permit are available through the Online Review System, and all documents and decisions pertaining to this file will be maintained on the GLWB Public Register, which can also be viewed in person on the second floor of the Alex Moses-Greenland Building in Inuvik. If you would prefer to receive a paper copy or a CD, please let me know and I will forward a copy of the application in the format of your choice.

Comments can be made directly through the Online Review System, or submitted to the Board via mail or email. **Please submit your comments in writing by 5:00 pm, June 17, 2019.**

Should you have questions or comments regarding these review items, feel free to contact me by email at amacdonald@glwb.com or by phone at (867) 777-4954.

Sincerely,

Alec Sandra Macdonald
