Dear Jason,

Re: Inuvik Airport Drainage Project - Environmental Management Plan V.1.1 Approved

The Gwich'in Land and Water Board (Board) met on February 15, 2024 and considered Environmental Monitoring Plan Version 1.1 (EMP V.1.1) ¹ which was submitted by GNWT Department of Infrastructure on December 19, 2023, as per the Board's September 23, 2023, Decision on EMP V.1.0 at issuance of Licence G23L8-002 for the Inuvik Airport Drainage Improvement Project. ²

The Board and staff conducted a conformity check and have determined that the submission meets the requirements set out in the Board's reasons for decision: There have been no substantive changes to the document that would warrant additional public review, and the information contained within EMP V.1.1 is consistent the requirements of the Licence and addresses the recommendations received during the public review of EMP V.1.0. ³ EMP V.1.1 is hereby considered approved.

Attached is revised Licence G23L8-002 - Schedule 2 has been updated to reflect the finalized SNP monitoring program, as per EMP V.1.1.

Please direct written questions or concerns regarding this letter to GLWB executive Leonard DeBastien.

Yours sincerely,

Elizabeth Wright
Chair, Gwich'in Land and Water Board
