Dear Jason,

**Re: Inuvik Airport Drainage Project – Revisions to Operation and Maintenance Plans Approved**

The Gwich'in Land and Water Board (Board) met on June 20, 2024 and considered Inuvik Airport Drainage Project *Engagement Plan Version 1.1*,<sup>1</sup> *Environmental Monitoring Plan (EMP) Version 1.2*,<sup>2</sup> *Erosion and Sediment Plan (ESCP) Version 1.1*,<sup>3</sup> and *Spill Contingency Plan Version (SCP) Version 1.1*<sup>4</sup> which were submitted by GNWT Department of Infrastructure on April 9, 2024, in accordance with the Annual plan review required by part B Condition 9 of the Licence.

Board staff conducted a conformity check and determined that the submissions meet the requirements set out in the Licence. There have been no substantive changes to any of the documents that would warrant additional public review, and the information contained within Engagement Plan V.1.1, EMP V.1.2, ESCP V.1.1, and SCP V.1.1 is consistent with Licence.

Engagement Plan V.1.1, EMP V.1.2, ESCP V.1.1, and SCP V.1.1 are hereby considered approved.

Please direct written questions or concerns regarding this letter to GLWB Executive Director Leonard DeBastien.

Yours sincerely,

Elizabeth Wright
