Dear Alexis,

Re: Permission to access Territorial lands outside the Right of Way (ROW) for Dempster Highway maintenance activities.

Please be advised that permission is granted to access Territorial lands outside the ROW for ongoing Dempster Highway operation and maintenance activities, including the installation of culverts.

Please ensure that a valid Land Use Permit from the Gwich'in Land and Water Board is in place before commencing activities.

If you require further assistance, please contact me at your convenience.

Regards,

Donald Arey
