**Subject:** Fort Providence - ORS Respond to Comments

Hi Erica,

We had a meeting planned with Hamlet this week to go over and respond to the comments on ORS, but I was notified yesterday that their Public Works Foreman is away until Friday. The SAO, Susan, prefers to go over the comments with him as he holds more knowledge of the facilities and processes.

I apologize for this short notice/request, would it be possible to extend the deadline to respond to the comments by **October 28<sup>th</sup>**? We've been having difficulty setting up meetings with Hamlet as they've been very busy with ongoing projects in town. October 28<sup>th</sup> is just a tentative date – we could possibly submit the response before then, but I can't make a promise that it'll be by next week as their schedule is unpredictable.

Feel free to reach out to me if you have any questions or concerns.

Thank you,

**Annriza Enerio** (she/her)
