Dear Ms. Unger:

**Spill Contingency Plan – Version 2 - Confirmation of Changes**  
**Teck Metals Ltd. – Pine Point Tailings Impoundment Area, NT**

The Mackenzie Valley Land and Water Board (MVLWB or the Board) met on May 16, 2019 to review your Spill Contingency Plan (Version 1), which was submitted under condition 61 of Land Use Permit MV2019X0006 and Part G, condition 1 of Licence MV2017L2-0007. At that time the Board approved your Plan, conditional upon receipt of additional information and written conformity from Board staff.

This additional information was received by the Board on July 16, 2019, after which Board staff confirmed concordance. This letter hereby confirms that the changes requested in the May 16, 2019 letter have all been addressed, and the Spill Contingency Plan is therefore considered approved.

If you have any questions or concerns, please contact me at (867) 766 7455 or email [jho@mvlwb.com](mailto:jho@mvlwb.com).

Yours sincerely,

A handwritten signature in black ink, appearing to read "J Ho", written over a horizontal line.
