Restoration of Lands	A				
Permits	A				

**Explanatory Remarks -**

Inspectors from the Department of Lands inspected the 2020QP0021 quarry permit on May 12, 2020. There was one stockpile on site with pooling water beside it. There was vegetation encroaching from the trees towards the active face. There were no machinery or fuels on site at the time of the inspection.

Inspectors have no concerns with the site and will continue to monitor.
