Dear Mr. Murphy:

**Further Study Requested  
Seabridge Gold (NWT) Inc. – Courageous Lake NT**

The Mackenzie Valley Land and Water Board (MVLWB or the Board) met on November 7, 2019 and considered your Application for Land Use Permit MV2019C0025. The Board determined that under paragraph 22(2)(b) of the Mackenzie Valley Land Use Regulations, further study and analysis needs to be conducted.

On October 16, 2019, the Government of the Northwest Territories requested an extension to the comment and recommendation submission date which in turn extended the response date for Seabridge. Responses are due from Seabridge on November 7, 2019, once responses are received and analysis is complete Board staff will continue to process the Application and a determination will be made by the Board.
