**Subject:** RE: MV2019X0008 - GNWT-ITI - Discontinuance & Final Plan - Inspector Recommendation

Good morning Emma,

The final plan for the above noted land use permit has been reviewed and appears correct as submitted.

If the Mackenzie Valley Land and Water Board (Board) will accept the cover letter as a discontinuance notice (section 37 of the *Mackenzie Valley Land Use Regulations*) for this land use permit, the Inspector would support this decision.

It is therefore recommended that the Board issue a letter of clearance to the Permittee pursuant to Section 33 of the *Mackenzie Valley Land Use Regulations*.

Please do not hesitate to contact Karine Gignac at (867) 767-9187 ext. 24189 or me at the numbers below if you have any questions or concerns.

Regards,

Clint
