New Discovery Mines Ltd. – Mineral Exploration, Milling and Mining, Discovery Lake, NT**

The Mackenzie Valley Land and Water Board (MVLWB or the Board) met on February 12, 2021 to review your Waste Management Plan (Version 13) and Spill Contingency Plan (Version 10), which was submitted under Licence MV2020L2-0002 and MV2020C0003. At that time, the Board approved your Plans conditional upon receipt of additional information and written conformity from Board staff.

This additional information was received by the Board on February 25, 2021, after which Board staff confirmed concordance. This letter hereby confirms that the changes requested in the February 12, 2021 letter have been addressed, and the Plans are therefore considered approved.
