Hi Andrea,

We are working on a regional criteria document that will inform our Closure and Reclamation Plans under the jurisdiction of the MVLWB (Liard South, Pointed Mountain, Liard West, Liard East and Celibeta).

Thanks,

Terence

Good morning again Terence,

After discussing with the team this request will just need to go to the Board, not out for review.

However, to do this, could Paramount provide rational as to why they require a 5-month extension on the submission? The Board usually asks why an extension is being requested.

Ideally, I would like to get your request to the Board next week, a timely response would be greatly appreciated.

Thank you,

Andrea Cleland, B.Sc, (she/her)
