REQUEST FOR PROPOSALS

CONSULTING ENGINEERING SERVICES

ROADS AND DRAINAGE IMPROVEMENTS

PROPOSALS DUE BY APRIL 5, 2024

Tsiigehtchic is located at the confluence of the Mackenzie and Arctic Red Rivers in the Northwest Territories. The community is serviced in the winter by ice roads crossing the Mackenzie River and by Ferry in the summer.

The Tsiigehtchic Charter Community (the Charter) is the Municipal Government of Tsiigehtchic and is seeking proposals from qualified consulting engineers for the design of roads and drainage improvements in the community of Tsiigehtchic.

Roads in the community are gravel roads with poor ditching, and poorly placed culverts.

The goals of this project are efficient ditching, culverts and roads.

To reach these goals, the Tsiigehtchic Charter Community is now accepting bids in response to this Request for Proposals.

The Charter reserves the right to accept or reject any and all proposals and to waive irregularities and informalities at its discretion.

Written enquiries shall be directed to Grant Scott, Municipal Administrator at sao@tsiigehtchic.ca.
