Subject: Request for Extension to Review Period - Cantung Care and Maintenance (MV2023L2-0001)

Good afternoon Kim,

CIRNAC Resource and Land Management would like to request an extension to the online review period for the Cantung care and maintenance Type B Water Licence renewal (MV2023L2-0001) and new Type A Permit (MV2023D0010) application. Due to on-going labour action affecting some Government of Canada departments, our team is not at full capacity, and as such, not in a position to complete our review and prepare our comments by the May 5, 2023 deadline. There is no indication how long the labour action may continue, so at this time we would respectfully like to request an extension of two weeks (e.g., May 19, 2023).

Thank you,
Megan
