Dear Aileen Stevens,

Re: Engagement Plan, Restoration and Monitoring Plan and the Sediment and Erosion Control Plan – Version 2.1 - Approved – Hay River Dredging – Miscellaneous – Hay River, NT

The Mackenzie Valley Land and Water Board (Board) received Version 2.1 of the Engagement Plan, Restoration and Monitoring Plan and the Sediment and Erosion Control Plan¹ submitted by Government of the Northwest Territories – Department of Infrastructure on April 4, 2024 as required by the Board's March 19, 2024 Decision Letters on Version 2.0.²

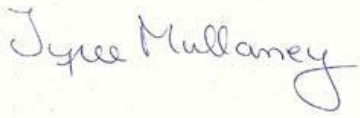

Board staff have conducted a conformity check and determined that the submission meets the requirements set out in the Board's Decision Letter. Version 2.1 of the Engagement Plan, Restoration and Monitoring Plan and the Sediment and Erosion Control Plan are hereby considered approved.

¹ See MVLWB Online Registry www.mvlwb.com for GNWT – INF - HR Harbour – [Engagement Plan, Sediment and Erosion Control Plan](#) and [Restoration and Monitoring Plan](#) – Version 2.1 – Apr4_24

² See MVLWB Online Registry for GNWT – INF – HR Harbour – Decision Letter - [Engagement Plan, Sediment and Erosion Control Plan](#) and [Restoration and Monitoring Plan](#) – Mar19_24

Please direct questions or concerns regarding this letter to Kathy Racher via [email](#).

Yours sincerely,

A handwritten signature in blue ink that reads "Tyree Mullaney". The signature is written in a cursive style and is set against a light yellow rectangular background.
