**VIA EMAIL**

DIEP DUONG, P. ENG.  
DIRECTOR  
ENVIRONMENTAL PROTECTION AND WASTE MANAGEMENT  
ENVIRONMENT AND CLIMATE CHANGE

**Letter of Eligibility for the Renewal of Land Use Permit MV2017X0020**

This letter is to confirm the Department of Environment and Climate Change's (Department) right to occupy the land under section 18(b) of the *Mackenzie Valley Land Use Regulations* for the renewal of Land Use Permit MV2017X0020.

The Department's Land Management and Administration Division has received and initiated the process of a reserve request from Environmental Protection and Waste Management Division for the land at the Checkpoint Landfarm, located along Highway 1 at kilometer 414, as well as the former Highway Maintenance Camp.

If you have any questions, please contact Katie Rozestraten, Manager, Major Projects, at (867) 767-9185 extension 24116 or by email at [katie\\_rozestraten@gov.nt.ca](mailto:katie_rozestraten@gov.nt.ca).

Vanessa Stretch, Ph.D.  
Director, Land Management & Administration  
Environment and Climate Change

c. Laurie Nadia  
Superintendent Land and Water  
Environment and Climate Change
