Subject: Request for extension for the review period for MV2024X0038

Hello Tom,

This email is a follow-up from our phone conversations where it was determined that I should submit a request for extension via email, instead of the ORS.

Since the GNWT mandatory leave (including holidays) is from December 23rd to January 1st, and the Cultural Places Program Office does not re-open until January 6th, reviewers will not be in the office for most of the duration of the review period. Therefore, I am requesting an extension of 10 business days, until January 23rd, 2025, to adequately review the new land use permit and make comments.

Unfortunately, I do not know how to remove the comment and recommendation that I already posted to the ORS, but if you or anyone does know how, I would be happy to remove it.

Thank you for your time, Tom, and have a good holiday season!

Best regards,

Danii
