Re: Water Licence MV2014L8-0006 & PC2014L8-0006, Report of Surveillance Network Program July 2024, Prairie Creek Mine Access Road

Under Part “B” of the Surveillance Network Program (SNP) for Water Licence MV2014L8-0006 and PC2014L8-0006, CNZ is required to submit SNP Program Reports monthly.

Please note for the month of July 2024:

- There is no SNP related data to summarize as no samples were collected this month;
- There is no data available to compare to the criteria during the reporting period;
- No meters or measuring devices were used during the reporting period;
- There were no SNP stations established during the reporting period; and
- No water was used during the reporting period, no water use data was available to summarize.

The next round of SNP sampling will be conducted in late Aug 2024.

We trust this report meets with your requirements. Please contact the undersigned at andrew.howton@norzinc.com or alternatively Lynn Boettger at lynn.boettger@norzinc.com should you have any questions or comments.

Sincerely,
Andrew Howton

Andrew Howton, B.Sc.
Environment Superintendent
