**Re: Water Licence MV2023L8-0002 & PC2023L8-0002, Report of Surveillance Network Program
October 2024, Prairie Creek Mine Access Road**

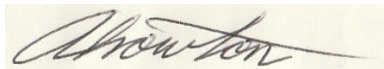

Under Part “B” of the Surveillance Network Program (SNP) for Water Licence MV2023L8-0002 and PC2023L8-0002, CNZ is required to submit SNP Program Reports monthly.

Please note for the month of October 2024:

- There is no SNP related data to summarize as no samples were collected this month;
- There is no data available to compare to the criteria during the reporting period;
- No meters or measuring devices were used during the reporting period;
- There were no SNP stations established during the reporting period; and
- No water was used during the reporting period, no water use data was available to summarize.

We trust this report meets with your requirements. Please contact the undersigned at andrew.howton@norzinc.com or alternatively Lynn Boettger at lynn.boettger@norzinc.com should you have any questions or comments.

Sincerely,
Andrew Howton

Andrew Howton, B.Sc.
Environment Superintendent
