Hi Bonnie,

This email is to inform you of the drilling that will be occurring under Land Use Permit S17X-004 & S18X-003.

The drilling program will start on January 28th and is scheduled to finish on January 29th. In total three monitoring wells will be installed across the Norman Wells Airport Property.

I will be onsite overseeing the field program and can be reached at;

(867)-689-8465
