

Table 1: Sahtu Land Use Plan (SLUP) Conformity Requirements for MGM East Mackay –

Conformity Requirement	Application Section(s)	Supporting Evidence
General Conformity Requirements		
CR#1 – Land Use Zoning	Exempt	
CR#2 – Community Engagement and Traditional Knowledge	Project Engagement Plan	S12A-001 Appendix 1-D Traditional Ecological Knowledge Study
CR#3 – Community Benefits	Project Engagement Plan and Consultation Log	
CR#4 – Archaeological Sites and Burial Sites	S12A-001 Heritage Impact Assessment	<p>A review of existing records held by the Prince of Wales Northern Heritage Centre determined there are no known archaeological sites in proximity of the two well sites and thus, there will be no impact.</p> <p>The fieldwork included a helicopter overflight to assess the archaeological potential of the development areas. As well as a foot reconnaissance accompanied by the excavation of numerous shovel tests in both well sites. All the shovel tests were negative of artifacts and no cultural resources were identified.</p>
CR#5 – Watershed Management	Application Attachment	
CR#6 – Drinking Water	Not Applicable	
CR#7 – Fish and Wildlife	Application Attachment	
CR#8 – Species Introductions	Project EPP
