Attention: Natalie Lippa, Regulatory Specialist

Dear Ms. Lippa:

This letter serves as the annual document review notification letter required in the **Municipal Water Licence** for the Community of Colville Lake, Part B: General Conditions, 7., Sahtu Region, Northwest Territories. This requirement states:

“7. The Licensee shall conduct an annual review of all plans, programs, manuals, and studies and make any revisions necessary to reflect changes in operations, contact, information, or other details. No later than August 31 each year, the Licensee shall send a notification letter to the Board, listing the documents that have been reviewed and do not require revisions.”

The following lists provide the documents reviewed and those that do not require revisions.

Documents Reviewed

Water Treatment Plant (WTP) Operation & Maintenance (O&M) Plan
Solid Waste Disposal Facility (SWDF) O&M Plan
Sewage Disposal Facility (SDF) O&M Plan
Spill Contingency Plan (SCP) – Version 2 submittal by September 3, 2024

Documents that Do Not Require Revisions

Water Treatment Plant O&M Plan

It is anticipated that changes for the SWDF and SDF will be completed for submission following the 2024 Fall Hunt.

Please direct any questions or concerns regarding this letter to the attention of the undersigned at 867-709-2200 or codzi@behdziahda.ca or to Margot Ferguson at 403-921-6001 or margot.ferguson@envirosearch.ca.
