**Re: GNWT-INF – 2024 Annual Water Licence Report Notification – Oscar Creek Bridge Relocation Project  
– Near Norman Wells, NT**

Dear Tuli't'a Distribution List Members,

The Sahtu Land and Water Board (SLWB) received the Government of the Northwest Territories - Infrastructure (GNWT-INF) 2024 Oscar Creek Bridge Relocation Project Annual Water Licence Report on March 28, 2025. The report was reviewed for conformity with the requirements of the Licence and whether the report required public review on the Online Review System (ORS). Board staff have determined that posting the Annual Report on the ORS for public review was not necessary for the following reason:

- No project activities have occurred during the reporting period.

The full 2024 Annual Water Licence Report can be viewed on the [Registry](#).

Please contact Natalie Lippa via [email](#) or at (780) 237-3571 with any questions or concerns regarding this letter.

Yours sincerely,
