Engagement Summary & Record for Renewal of Land Use Permit W2016J0008 – Tundra Ecosystem Research Station, Daring Lake

Please accept this letter and attachment as the Engagement Summary and Record submission for section 19 of the Land Use Permit Application Package, associated with the renewal of the above referenced Land Use Permit for the Tundra Ecosystem Research Station (TERS) located at Daring Lake.

The permit is currently expired as of November 3, 2023. A renewal would render it valid until November 2028. Currently a Storage Authorization is in place until a new Land Use Permit can be granted to support continuing land use activities at TERS.

Please direct any comments or concerns with respect to the permit renewal to Colin Modeste-Burgin, TERS Camp Manager, at Colin.Modeste-Burgin@gov.nt.ca

Sincerely,

Heather Sayine-Crawford
Director
Wildlife Management Division
