Hello Kassandra and Marie-Eve,

The Diavik draft Work Plan has the Technical Session scheduled for April 8-10.

However, there is also a Public Hearing scheduled for Pointed Mountain – Paramount Resources April 9-10 with the MVLWB.

Given we will be slightly shorter staffed at that time and will likely have overlapping consultants on both projects, would it be possible to adjust the Technical Session dates?

Also note that depending on the location of the Pointed Mountain public hearing we may be traveling April 8<sup>th</sup> and 11<sup>th</sup>.

Mársı | Kinanāskomitin | Thank you | Merci | HaiꞀ | Quana | Qujannamiik | Quyanainni | Mańsı | Máńsı | Mahsi

Dzẹ nezj Kassandra and Marie-Eve,

At this time, Tłıchq Government doesn't have any concerns with the proposed draft work plan. We would just note that the tentative community government elections will be happening the night before the public hearing (i.e., June 9, 2025).

If you have any further questions, please don't hesitate to reach out.

Masi cho,
